New Orleans Musicians Aid Lincolnshire

NOrMAL APPEAL

Three thousand two hundred professional musicians have been evacuated from New Orleans in the aftermath of hurricane Katrina. Most have lost their homes, their instruments and their livelihoods.

Our aim is to get these musicians back to work and that means replacing their instruments so they can earn a living.

New Orleans Musicians Aid Lincolnshire is coordinating an appeal in conjunction with Jazz Foundation of America and the NOMC.

NOrMAL is also promoting benefit concerts nationally over the coming months. People who want to raise money, for further details or to make a credit card donation go to
